I would like to thank the committee of the Labrador Club for inviting me to judge your Championship Show.

I really enjoyed my day there. The competitors were a pleasure to judge.  
Carolyn Cederman

**Baby Puppy Dog:**

- 1<sup>st</sup>. Catraz Knl's CATRAZ DAYDREAM BELIEVER  
A lovely headed puppy although I would like tighter eyes. A good thick tail and good coat. Level topline. Moved well both in profile and coming and going.
- 2<sup>nd</sup>. S. & R. Malseed's RODORBAL BLACK ICE  
A lovely head with a good dark eye. Well coated. Good bone. Played up on the move. Not as good in topline as first place.
- 3<sup>rd</sup>. K. & W. Walker's KENROSA GALLANT DAN  
A leggy puppy with topline not as good as 1<sup>st</sup> and 2<sup>nd</sup> placings at this age. Good body coat but tail lacking the coat and strength of the 1<sup>st</sup> and 2<sup>nd</sup> placings.

**Minor Puppy Dog:**

- 1<sup>st</sup>. E. Tatchell & M. Conheady's CONINGGSBURGH DUNDEE  
This puppy had a pleasing head with dark eye. Good coat and tail and moved well. Well angled front and back but would prefer a shorter length of body.
- 2<sup>nd</sup>. J. Sharrock's BLACKRANGE STORM WARNING  
Pleasant head but not as strong in muzzle as first place. Good coat and tail. A longer dog than first place with a slight drop in croup.
- 3<sup>rd</sup>. L. Adams' CLADAGHRING MANDALAY  
A well boned puppy with a good tail. Lacking body coat. Topline slightly roached on move.

### **Puppy Dog:**

1<sup>st</sup>. D. & C. Fox's SYBECK A POT OF GOLD

A well coated puppy with a good tail. Pleasing head although immature. Better hind angulation than 2<sup>nd</sup> and 3<sup>rd</sup> placings.

2<sup>nd</sup>. L. Evan's DIACAS DARE TO DREAM

Topline good. Well boned. Movement good front and back. Good coat and tail but lacking in hind angulation. Would like to see more length of upper arm as this restricted movement. Head immature at this stage.

3<sup>rd</sup>. C. McCormick-Jennings' HELABAR JUDGE AND JURY

Nice head but a bit full in the cheeks. Good body coat but lacking tail coat. Would like to see more hind angulation. Let down on the move.

### **Junior Dog:**

1<sup>st</sup>. Rodorbak Knls' RODORBAL QUITE A STAR

A pleasing head with good coat and tail. Moved well. Topline not as good as I would like.

2<sup>nd</sup>. Rikim Knls' RIKIM HEZA LEGEND

A strong headed dog with a bit too much cheek muscle. good coat and tail. Did not move as well as first place. A well boned masculine dog.

3<sup>rd</sup>. S. & D. Wilkie's VERALEA MASTER MIND (IMP. N.Z.) (A.I.)

A well boned dog but not as well angled in front as 1<sup>st</sup> and 2<sup>nd</sup> placings. Good coat and tail. Eye colour and shape not as good as first 2.

### **Intermediate Dog:**

1<sup>st</sup>. Thomas & Robinson's CH. LASKELSA WILD DESTINY

A nice headed dog with dark eye. Good coat and tail. A longer bodied dog but still balanced. Well angled behind. Excellent tail carriage.

2<sup>nd</sup>. B. Read's GUNSMITH POWER READER

This dog had an excellent coat and tail. Would like a more masculine head. Well boned but short on leg which made the dog look long in body. Otherwise a lovely dog.

3<sup>rd</sup>. Rikim Knls' BLACKHILLS OZZIE OZZIE OZZIE (IMP. N.Z.)

A very strong headed dog with excellent coat and tail spoiled by bleaching from the sun. Longer in body than I like to see.

### **Australian Bred Dog:**

1<sup>st</sup> & Res. Challenge Dog. B. Read's CH. GUNSMITH GOLDEN LIGHT

A pleasant masculine head with dark pigment. Well boned and well angled with good topline. Moved well. Coat was acceptable.

2<sup>nd</sup>. G. Spagnolo's CH. DRIFTWAY FINAL EDITION

A strong headed dog with prominent cheek muscles. Not as pleasing in head as first place with overly large round eyes. Unfortunately lacking in coat at this show. This dog was lovely on the stack but let down by his head. Moved well.

3<sup>rd</sup>. S. & D. Wilkie's CH. CONINGSBURGH BON CHANCE R.R.D.

This dog did not move as well as 1st and 2nd placings. A pleasant head but I would prefer a stronger foreface. Longer in body than I like but had a good level topline.

### **Open Dog:**

1<sup>st</sup>. & Challenge Dog. S. Power's CH. ZENCHEL SLICK WILLY (A.I.)

What a pleasure to see. This 10 year old dog came into the ring as though he owned it. All Labrador with his head, coat and tail. Lovely head. Excellent coat and otter tail. A well boned dog with great topline and tail carriage. Well angled and moved superbly.

2<sup>nd</sup>. Thomas & Robinson's CH. LASKELSA SLIPPIN ON ICE (A.I.)

A longer bodied dog again with good topline. Good coat. Not quite as good in head as 1<sup>st</sup> place. Well pigmented. Moved well.

3<sup>rd</sup>. E. Tatchell & M. Conheady's GR. CH. CHARING SAIL AWAY (IMP. N.Z.)

Excellent head but would prefer a less prominent eye on this 8 year old dog. Good coat and tail. Not as well angled in front as first 2 dogs. Good topline.

### **Baby Puppy Bitch:**

1<sup>st</sup>. J. Moore's TAIKURI UNDERSTUDY

Despite behaviour won this class with her pleasing head, dark eyes and good topline. On occasions moved well. Good coat.

2<sup>nd</sup>. Catraz Knl's CATRAZ CALYPSO

Lovely well behaved 3 month old puppy. Topline not as good as first place. Coat reasonable for young puppy.

3<sup>rd</sup>. B. Howard's RIKIM ?? (Pending)

A pretty headed puppy with good coat and tail. Moved well.

### **Minor Puppy Bitch:**

1<sup>st</sup>. Janvali Knls' BANDERRA REGAL VICTORIA

Pleasing head and expression. Great coat and excellent otter tail. A well bodied puppy with good topline and tail set. Movement also good.

2<sup>nd</sup>. M. & D. Burgess' DRIFTWAY ELKARNA GOLD

Acceptable coat and tail. Pretty head but preferred head on 1<sup>st</sup> place. Not as strong in topline as 1<sup>st</sup> place.

3<sup>rd</sup>. S.P. & P.M. Munley's RIKIM MISS BEHAVIN

A more refined but still pretty head on this puppy. Good hind angles but topline let this puppy down.

### **Puppy Bitch:**

1<sup>st</sup>. S.P. & P.M. Munley's ELEMENTAL GEISHA GIRL

This puppy was eye-catching but not well handled. A beautiful chocolate bitch with a pretty head. Moved well. Good coat and tail. A fraction long in body but this could be due to age.

2<sup>nd</sup>. S.& R. Malseed's SYBECK GRAND PARADE

Moved well, good tail but not so well angled front and rear as 1<sup>st</sup> place. Pretty head with dark eye.

3<sup>rd</sup>. Rodorbak Knls' SYBECK LUCK OV THE GUINNESS

A more refined head on this puppy. Coat on tail good. Puppy in good condition. Hindquarters not as good as first two.

### **Junior Bitch:**

1<sup>st</sup>. E. Tatchell & M. Conheady's CHARING CHABLIS (A.I.) (IMP. N.Z.)

An overall bigger bitch with a stronger head. I would like a darker eye. Excellent otter tail and good coat. This bitch was well balanced with good angulation front and back. Good topline.

2<sup>nd</sup>. B. Toner's FAXRUSH OATMEAL (IMP. U.K.)

A correctly headed bitch with good pigment. Again an excellent tail and good coat. Good topline but let down on the movement.

3<sup>rd</sup>. M. Nethercott's SWIFTCURRENT COMBINATION

A correctly headed bitch with dark eye. Would like a better tail set. Not as well angled in front as 1<sup>st</sup> place. Moved to 3<sup>rd</sup> place over others in class on movement.

### **Intermediate Bitch:**

1<sup>st</sup>. & Challenge Bitch. T. M. & G. K. Wilson's BLACKRANGE WATERWITCH

A well bodied bitch with a good topline. Very nice head and expression with dark eye. Would like to have seen more coat on the tail. Excellent mover.

2<sup>nd</sup>. & Res. Challenge Bitch. E. Tatchell & M. Conheady's CH. CONINGGSBURGH ALL CLASS

Head not typical on this bitch with her longer muzzle. Good topline and excellent tail. Front angles not as good as 1<sup>st</sup> place.

3<sup>rd</sup>. L. Deeker's CH. WILGUNNDI SUNSEEKER

A pretty headed bitch. Front and hind angulation not as good as first two placings. Unfortunately was out of coat at this show.

### **Australian Bitch:**

1<sup>st</sup>. S. & R. Malseed's CH. BLONDELLAR BLACK JEDDA

This bitch was presented in great condition. Good coat and tail set with correct topline. Moved well which was expected with her good angulation front and rear. Not as good in head as 2<sup>nd</sup> place. Good dark eye.

2<sup>nd</sup>. Catraz Knls' CATRAZ WOOD NYMPH

This lovely headed bitch was let down by being so overweight. Good bone, well angled with a correct topline. Moved well.

3<sup>rd</sup>. Thomas & Robinson's GR. CH. LASKELSA WET N WILD (A.I.)

A pleasing head. Good coat. Level topline. Did not move as well as 1<sup>st</sup> and 2<sup>nd</sup> placings. Unfortunately didn't carry her tail well.

**Open Bitch:**

1<sup>st</sup>. Catraz Knls' CH. CATRAZ CHARMED ONE

A heavier bitch not in full coat. Pleasing head and expression. Lost topline on move but held it on the stack. This was probably due to carrying more weight than she should be.

2<sup>nd</sup>. S. & D. Wilkie's CH. RIKIM JUSTA SENSATION

A pretty headed chocolate bitch with good coat and tail. Longer in body and not as well angled as 1<sup>st</sup> place.

3<sup>rd</sup>. R. Brock's CH. DIACAS CILA BLACK

A lovely older bitch with pleasing head. Good coat and excellent otter tail. Good topline and good hindquarter angulation. Moved well.
